

CLEAN WATER ACT

R6-2-33. Alternate Test Procedures

1. AUTHORITY. To approve or disapprove on a case-by-case basis alternate test procedures for the analysis of pollutants in accordance with the Code of Federal Regulations as amended (40 CFR 136.5) pursuant to the Clean Water Act, Section 304(h).
2. TO WHOM DELEGATED. The Assistant Regional Administrator for Management, Management Division.
3. LIMITATIONS.
 - a. No decision shall be made by the Assistant Regional Administrator, Management Division, regarding any alternate test procedure proposed without prior technical review and recommendation from the Director, Analytical Methods Staff, Engineering and Analysis Division, Office of Water, or his designee.
 - b. Alternate test procedures must have the concurrences of the Director, Water Quality Division and the Director, Compliance Assurance and Enforcement Division or their designees, before they are approved.
 - c. This authority applies only to discharges within Region 6. The Assistant Administrator for Research and Development has the authority to approve or disapprove alternate test procedures having nationwide application.
4. REDELEGATION AUTHORITY. This authority may not be redelegated.
5. ADDITIONAL REFERENCES. Clean Water Act. Sections 401 and 402; and 40 CFR 136.

Delegation of Authority from the
Regional Administrator
